

DOMAINE
CHANDON DE BRIAILLES

Corton Blanc

2018

Three parcels make up the 0.5578 hectares of vines (planted in 1980, 1991 and 1998) producing this grand cru white Corton.

Two are in the Bressandes climat (red soil) and a minority is in Les Chaumes, just below the famous Corton-Charlemagne.

The soils are cultivated using only our horses, and treatments are carried out by tracked vehicle, so no tractors enter the land. After a vertical pressing, the wine is vinified in 10 hectolitre tuns and demi-muids if necessary. The wine is then matured in the same containers for 20 to 30 months.

VINTAGE 2018

It's a sunny vintage, as is becoming increasingly common. Harvesting took place from August 21 to September 23, a much longer period than usual, with large volumes and heterogeneous ripeness. We decided to take our time, harvesting in the cool of the morning, and at optimum ripeness, which enabled us to vinify whole grapes. This enabled us to bring out the freshness in our wines, despite the hot vintage.
