

DOMAINE
CHANDON DE BRIAILLES

Corton Blanc

2020

Three parcels make up the 0.5578 hectares of vines (planted in 1980, 1991 and 1998) producing this grand cru white Corton.

Two are in the Bressandes climat (red soil) and a minority is in Les Chaumes, just below the famous Corton-Charlemagne.

The soils are cultivated using only our horses, and treatments are carried out by tracked vehicle, so no tractors enter the land. After a vertical pressing, the wine is vinified in 10 hectolitre tuns and demi-muids if necessary. The wine is then matured in the same containers for 20 to 30 months.

VINTAGE 2020

It's another sunny vintage, but without excess. The harvest took place from August 17 to 30.

The harvest was very healthy, with a slightly below-average yield. The grapes were beautiful and well-balanced, with high ripeness and good acidity. The bar was set high and the finished wines had a strength rarely equaled, making this a great vintage for laying down.
